

# Badminton Doubles – from Start to Advanced

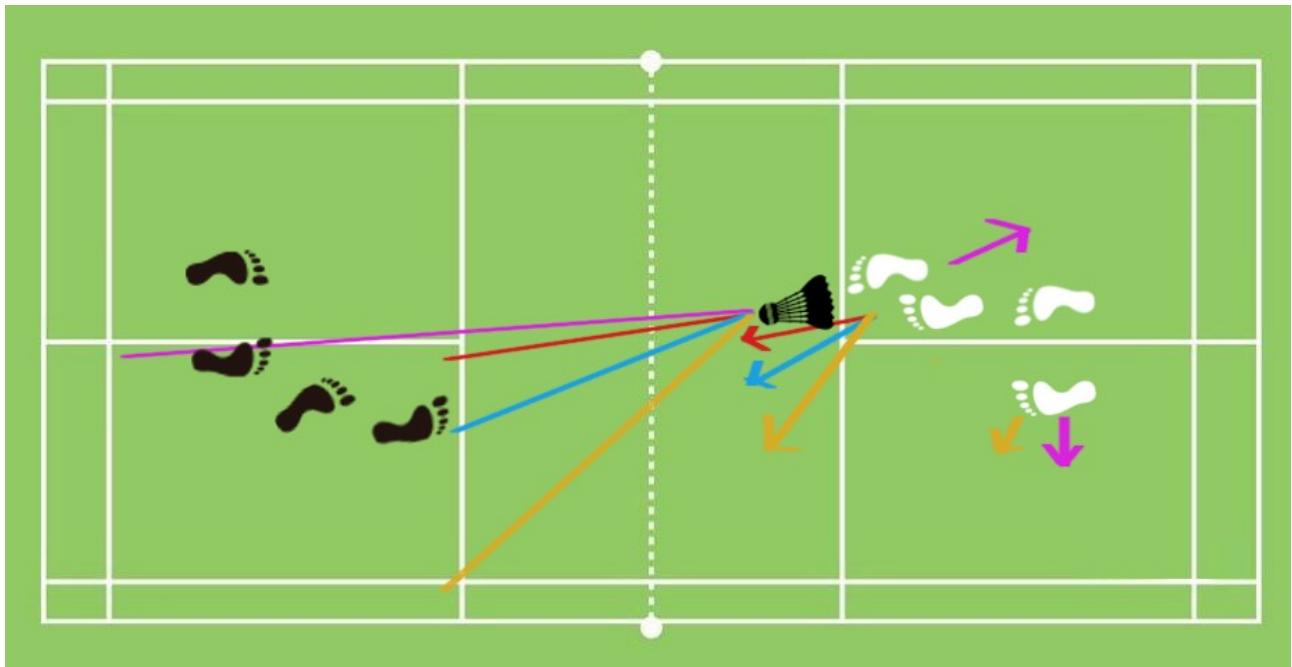

## SERVICE SITUATION

### First 3 strokes:

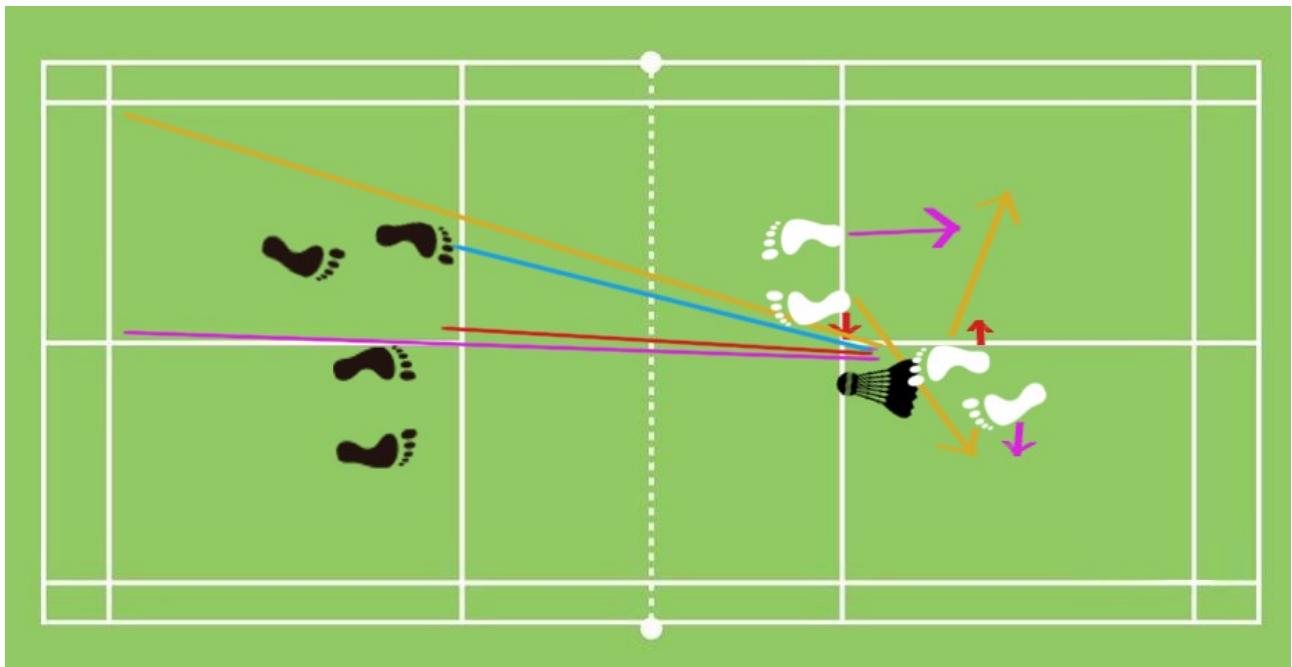

- Are very important in all doubles discipline
- Repeated in every rally
- A lot of rallies are finish after first 3 strokes or are clear after it
- Can determine which pair is under pressure

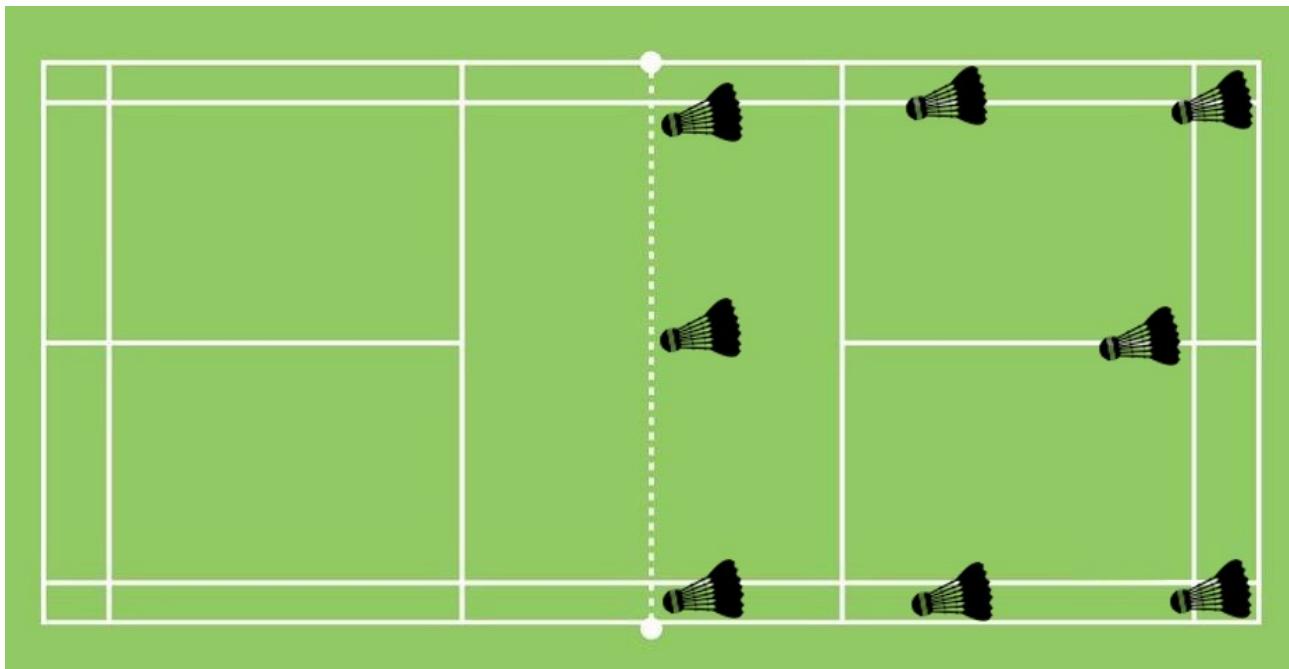

## DOUBLES

## MIXED DOUBLES

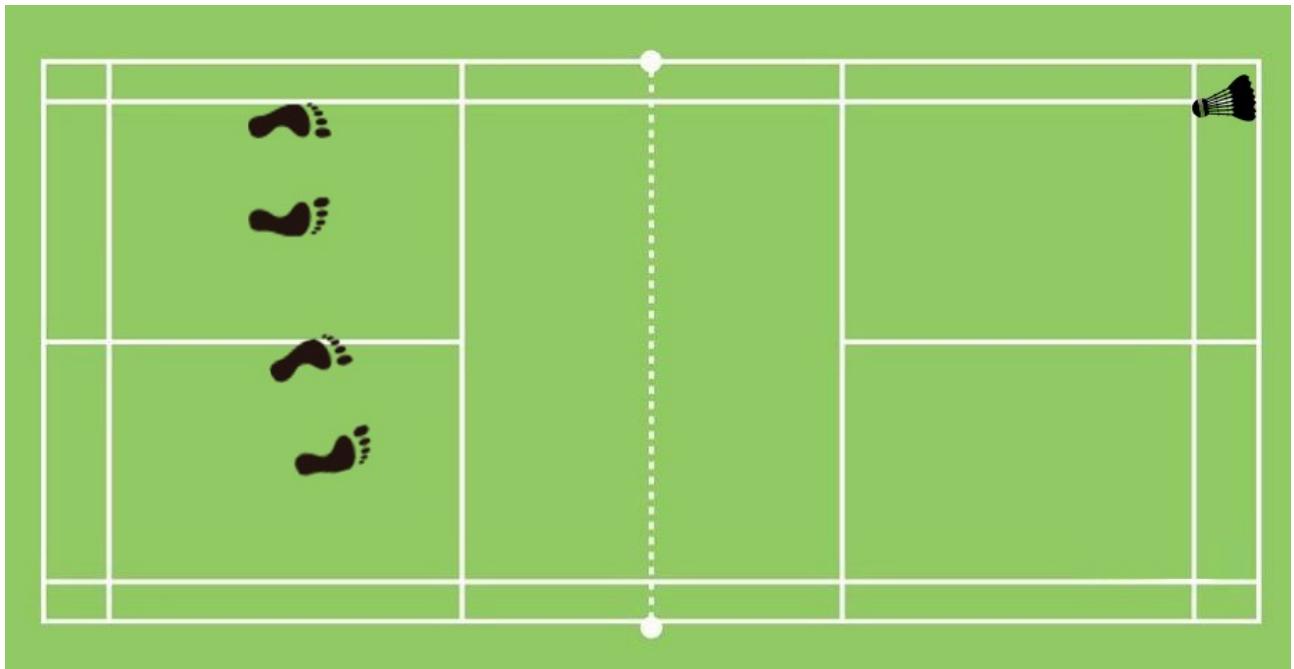

## Remember:

- Communicate tactic with partner
- Stay calm
- Stay consistent
- Create offensive situation
- Look for winner

## DEFENCE SITUATION

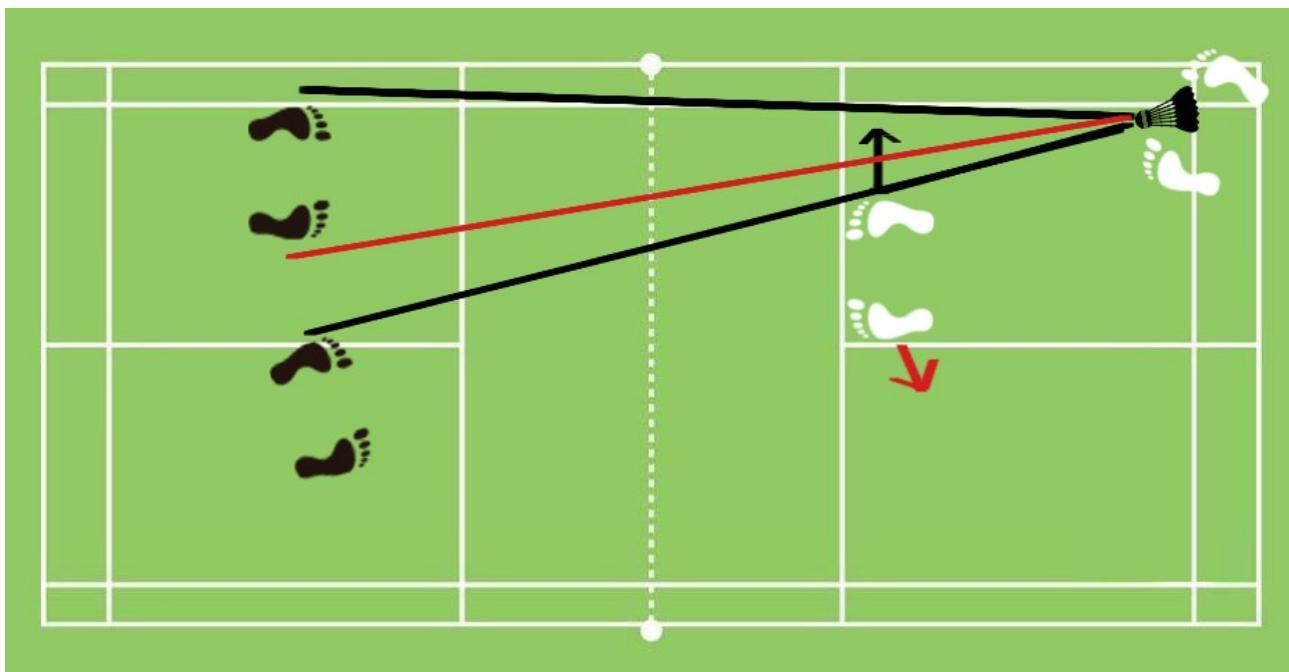

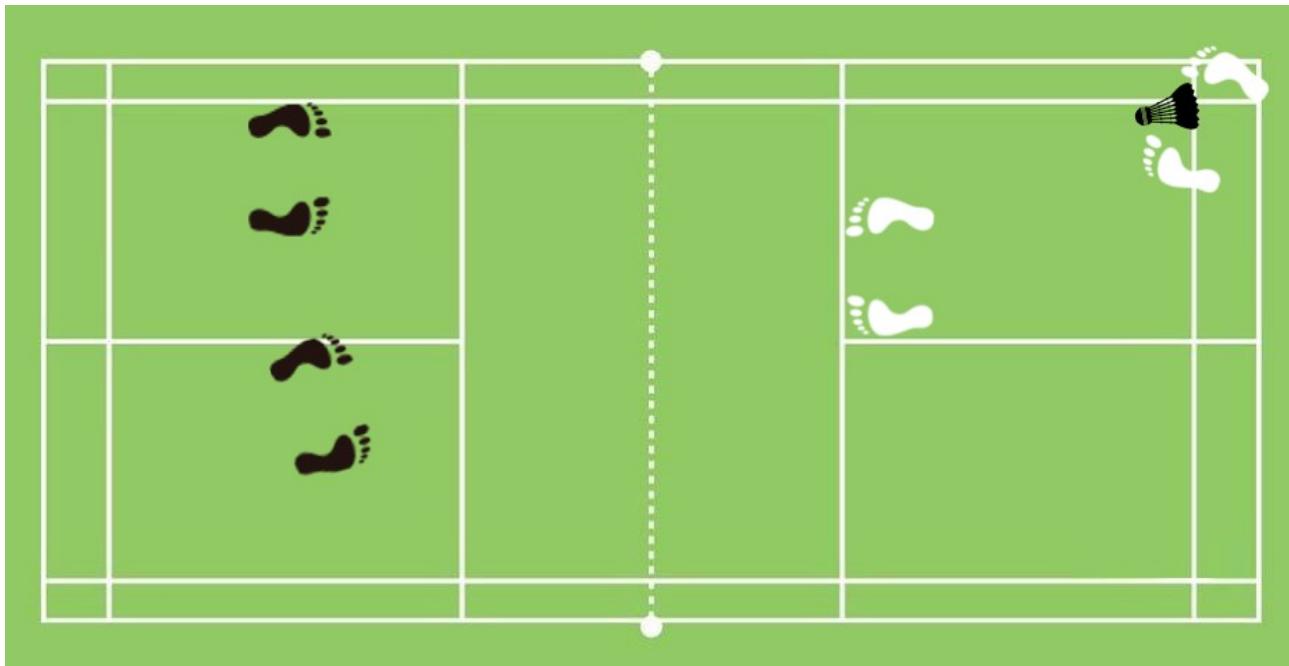

### Remember:

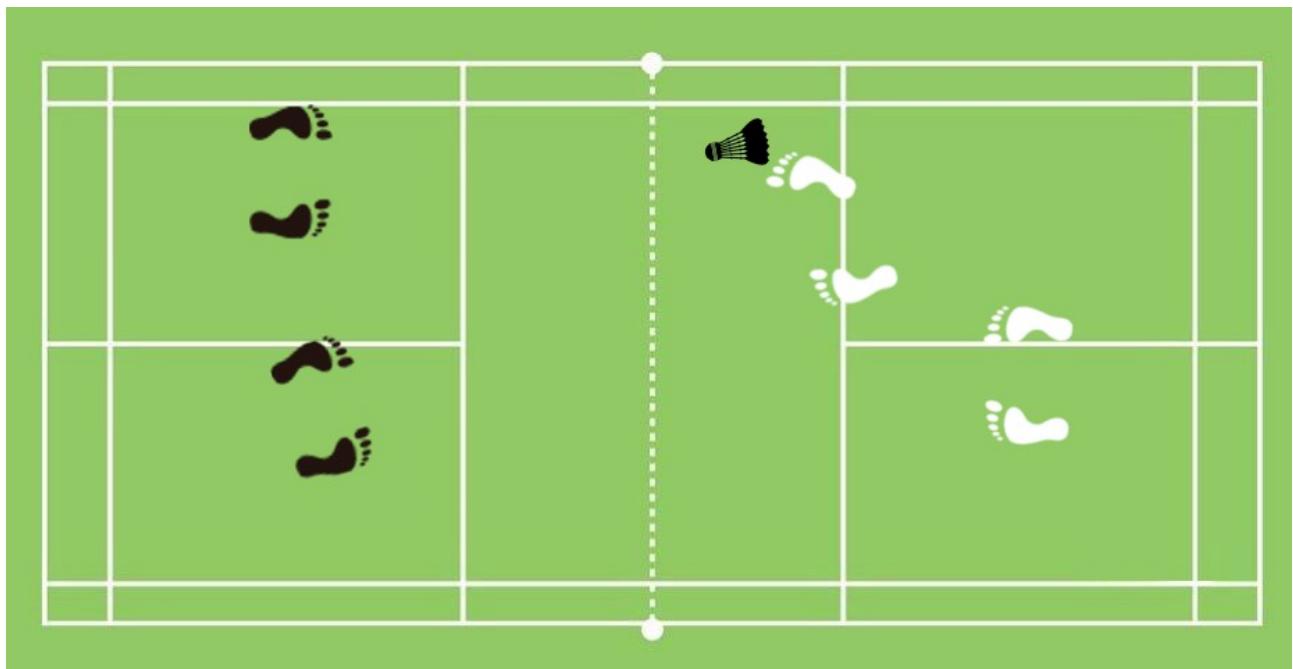

- Look for empty gap
- Control distance between each other
- Stay in front of the shuttle
- Keep Your racket out in front of the body
- Stay ready for drop and clear (WD, XD) as well
- Follow Your stroke

## ATTACKING SITUATION

### Shuttle in rearcourt

## Shuttle in forecourt

## Remember:

- Player who is not hitting need to adjust position to the partner
- Think to create a win-win situation for the partner
- Control distance between each other
- Change pace
- Change angles
- Change speed
- Choose most difficult points
